"I certify under penalty of law that all pesticide discharges associated with aquatic weed control have been eliminated. I understand that, by submitting this Notice of Termination, I am no longer authorized to discharge pesticides associated with aquatic weed control by the permit, and that discharging pollutants in water bodies of the state of Washington is unlawful under the Clean Water Act where the discharge is not authorized by an NPDES permit. I also understand that the submittal of this Notice of Termination does not release the owner (or other permittee) from liability for any violations of this permit or the Clean Water Act."
